

Copy and paste the email template below to share your school's promo code with parents.

**Subject:** Concussion baseline testing info

Parents,

Before your child can participate in their sport, they must complete an [ImPACT Baseline Test](#). It can be easily purchased online and taken from home in 20 minutes. All that's needed is a computer with internet connection.

Use promo code **[School's promo code]** to get it for \$10.

Follow these instructions for purchasing and completing the test.
